* 2017 GRESB Real Estate Participant

The GRESB Public Disclosure Level is an overall measure of ESG disclosure by listed property companies, based on a selection of indicators aligned with the existing GRESB Real Estate Assessment. The Public Disclosure Level provides insight into the ESG disclosure activities of both GRESB participants and non-participants and offers investors insights that are currently not captured in the GRESB Real Estate Assessment.

The data in this Report has been collected by GRESB.

Disclaimer: 2017 Public Disclosure Scorecard

The 2017 GRESB Public Disclosure Scorecard (the “Scorecard”) has been compiled based on publicly available information of the respective organization, based on available resources in the public domain. The Scorecard has been provided in good faith. The data for the analysis was primarily collected in the period March 1 - April 15, 2017, and does not include any information that may have been published after April 15, 2017. We do not take any liability for information that may have been inadvertently missed or omitted in our manual process of data collection. We have taken reasonable care to check the accuracy and completeness of the information prior to processing it for the Scorecard.

The Scorecard is a standalone document describing the entity’s Public Disclosure Level and its elements. It is not directly comparable to the annual GRESB Real Estate Assessment scores (“GRESB Score”). The Public Disclosure Scorecard reflects the opinions of GRESB and not of our members. While we do not anticipate major changes, we reserve the right to make modifications to the Scorecard or its elements.

The Scorecard is provided to you merely for reference and discussion purposes, and is not provided as the basis for any professional advice or for transactional use. GRESB and its advisors, consultants and sub-contractors shall not be responsible or liable for any advice given to third parties, any investment decisions or trading or any other actions taken by you or by third parties based on information contained in the Scorecard.

Except where stated otherwise, GRESB is the exclusive owner of all intellectual property rights in all the information contained in the Scorecard.
